FOR IMMEDIATE RELEASE

Heller expands Asian sales organization

October 31, 2007, Florham Park, New Jersey – In continuation with its overall growth strategy, Heller Industries is pleased to announce the appointment of Mr. Wojtek Antoniak as Regional Sales Manager, Southeast Asia. Mr. Antoniak will be based in Singapore and will be responsible for sales management throughout Malaysia, Thailand, Vietnam as well as Singapore and the Philippines.

Widely known throughout the industry from his previous position with ECD, Mr. Antoniak brings a wealth of knowledge and experience in electronics and semiconductor backend assembly to the Heller team. His exceptional level of support and professionalism will uphold the outstanding customer relations that Heller customers have come to expect.

Antoniak stated, “The reliability that Heller continues to demonstrate is a major reason it has grown steadily over the years particularly in the dynamic Asia Pacific marketplace. Our single point of contact combined with a fast-moving and knowledgeable service organization reinforces our long-term commitment to our customers over the life of their reflow systems.”

With international headquarters in Florham Park, New Jersey, Heller Industries, Inc. is the market leader in oven technology supplying solutions for electronics manufacturers and assemblers worldwide. Serving the printed circuit board and semiconductor markets, Heller provides continuity in sales, engineering and support through enduring business relationships.
